

## O FRAME PAYOFFS AND TAKEUPS

- ◆ Roll in "O" Frame style with pintles in fixed position.
- ◆ Reel lift platform with hydraulic or pneumatic actuation. Weight capacities up to 1000 kg.
- ◆ Models available to accommodate DIN reel sizes from 400mm to 1250mm.
- ◆ Pneumatic stroke on each pintle. Added stroke on idle pintle side to accommodate wide range of reel widths.
- ◆ Torque or Dancer control drive systems. Non driven payoff units available.
- ◆ Dancer accumulator systems available as optional separate unit or incorporated within main frame.
- ◆ Units can be configured in a variety of ways to accommodate existing space requirements.
- ◆ Rolling ring style traverse assembly units on takeups can be belt driven from main motor or designed with separate drive system.
- ◆ Pneumatic air brake emergency stop.
